I am Nikko L. Pagalan, a Licensed Agriculturist. I obtained my bachelor's degree in Agriculture Major in Animal Science in Mindanao State University at Naawan on June 07, 2019. I passed the licensure examination for Agriculturists in November 2019. As an agriculturist and with a training of Slaughtering Operation, I am equipped with the necessary knowledge that comes with the position.

I finished the required training hours of Slaughtering Operation in MMS Training Institute located in Gusa, Cagayan de Oro City on April 29, 2024. I have successfully pass the National Certificate II in Slaughtering Operation because I am a dedicated and responsible Licensed Agriculturist.

I experience working in the Israel Agricultural Farm of Arad Farm LTD located in Lachish Israel where I was tasked to repair and monitor the maintenance of pipes, spray herbicide solution, harvest and inspect quality of grapes under a harsh weather condition. I also experience working as a technical sales representative where achieving the sales goals is a must. In addition, I was also an intern and then became a research assistant of Department of Agriculture- Northern Mindanao Agricultural Crop and Livestock Research Center (DA-NMACLRRC) where I experience pest monitoring, research data collection, vitamins, dewormers, and antibiotics administration to the animals, assistance to the veterinarian in artificial insemination and in providing health care to the animals.

My work experience harnessed all my skills including analytical thinking, process improvement, leadership, communication, and Microsoft Office skills which I can contribute to the organization. I can learn any technical skill and tools and overcome any weakness because I am a fast learner, physically fit, independent and a resourceful professional. I have also acquainted myself with a wide range of skills that allow me to cooperate with a team of different cultures.
