Here's a possible introduction that highlights your experience as an agriculture field worker:

"Hello, I am kashif shahzad , a dedicated and hands-on agriculture professional with a strong passion for sustainable farming practices. With experience working in the field, I possess a deep understanding of crop management, soil health, and agricultural technologies. My academic background in arts and political science has also equipped me with strong communication and analytical skills, allowing me to effectively collaborate with farmers, communities, and stakeholders. As an agriculture field worker, I am committed to improving crop yields, promoting eco-friendly practices, and supporting rural development initiatives."

Or, if you'd like a shorter version:

"Experienced agriculture field worker with a strong background in crop management and sustainable practices. Skilled in communication, analysis, and community engagement."
