

Grace Wafia W.

Factory worker

ID: 6280

About Me:
I am a hardworking and adaptable individual with hands-on experience in seasonal work environments across Europe and Africa. In 2024, I completed a successful seasonal contract in Croatia, where I worked in both hospitality and physically demanding farm roles. This experience helped me develop strength in repetitive tasks, a strong work ethic, and a mindset focused on quality, safety, and collaboration.

Back home in Kenya, I remain actively involved in our family's greenhouse and outdoor farming activities planting, harvesting, handling equipment, and maintaining production areas. These experiences have made me quick to learn, physically resilient, and attentive to detail, traits I believe are essential for a manufacturing setting.

I am highly motivated to contribute to your production team, follow instructions precisely, and support quality manufacturing processes. I adapt quickly to new environments, and I'm eager to be part of a globally respected company like CRH plc.

General information

Considering industry	Agriculture
Type of employment	Skilled worker
Age	43 (1981)
Original nationality	Uganda
EU Citizenship	No

Location of residence

Country of residence	Uganda
