

Tetteh P.

Field worker

ID: 6326

My name is Patrick Obritei Tetteh, and I'm from Accra, Ghana. I'm passionate about reading books and exploring new ideas. With three years of experience in agriculture, specializing in animal farms (pigs, cows, and poultry) as well as greenhouse management, I'm dedicated to innovative farming practices.

Education

I graduated from Kwadaso Agri College, affiliated with the University of Cape Coast, where I honed my skills and knowledge in agriculture.

Beskrivelse

Kwadaso Agri College

Kwadaso Agri College, affiliated with the University of Cape Coast, is a reputable institution dedicated to providing quality education and training in agriculture. The college offers practical and theoretical knowledge in various fields of agriculture, including animal science, crop science, and agricultural management.

Key Features

1. ***Hands-on Training***: Students gain practical experience through farm-based learning and projects.
2. ***Experienced Faculty***: Instructors with industry expertise provide guidance and mentorship.
3. ***State-of-the-art Facilities***: Modern classrooms, laboratories, and farm facilities support effective learning.
4. ***Industry Partnerships***: Collaborations with agricultural organizations and industries provide opportunities for internships and job placements.

Benefits

1. ***Career Opportunities***: Graduates are equipped to pursue careers in agricultural production, management, and research.
 2. ***Skill Development***: Students develop critical thinking, problem-solving, and communication skills.
 3. ***Networking***: Opportunities to connect with peers, instructors, and industry professionals
