

piyar A.
Nurse

ID: 6425

I hope this message finds you well. My name is Piyar Ali, and I am a trained nurse who recently moved to Denmark in pursuit of new professional opportunities. I am writing to express my interest in the Cleaner job position, as advertised.

Although my primary background lies in the healthcare sector, I also bring substantial hands-on experience in both kitchen and cleaning. I previously managed my own guest house in Pakistan, where I was responsible for overseeing both kitchen operations and cleaning duties. This experience has equipped me with strong organizational skills, attention to detail, and the ability to work effectively in dynamic, fast-paced environments.

I am a hardworking, adaptive and energetic individual with a positive attitude towards all tasks. Outside of my professional experience, I am also a musician and sports enthusiast, which has helped me develop discipline and strong teamwork skills qualities that I believe will add value to your team.

I am fluent in English, Urdu, and Hindi, and am actively working to improve my Danish language skills, with the aim of becoming fluent in the near future.

I am a fast learner with a lot of potential. I am highly enthusiastic about the opportunity to contribute to your team and would greatly appreciate the chance to discuss how I can demonstrate my skills practically in addition to learn from you and the team. As token of my commitment, I am available to work for couple of days free of charge, during which I can be observed in action.

I am available for an interview at your convenience and can be reached by phone at +45 71879441 or via email at piyar.ali94@gmail.com.

It is pertinent to mention here that I have right to live and work in Denmark, and I have sorted all the necessary requirements i.e. CPR, Nemkonto etc.

Thank you for considering my application. I look forward to hear from you.

Sincerely,
PIYAR ALI

| General information
