Other

ID: 7094

I am SASI KIRAN BALASANI , Recent I Complete B.Tech graduate in Computer Science and ENGINEERING from Parul University, completed in 2025. Throughout my academic journey, I have developed a strong foundation in programming, data structures, algorithms, and full-stack development.

I have hands-on experience in Python, Java, HTML/CSS, JavaScript, SQL, React, through college projects and self-learning. I enjoy solving real-world problems using technology and have participated in [optional: hackathons, internships, or workshops] to enhance my practical skills.

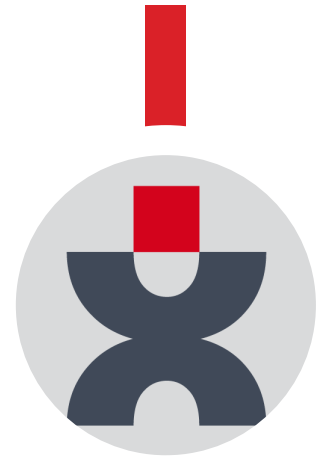

I am a quick learner, detail-oriented, and passionate about working in a collaborative and growth-focused environment. I am now actively looking for an entry-level opportunity in the IT/software domain where I can contribute meaningfully while continuing to learn and grow professionally.
