Dear Hiring Manager,

I am writing to express my interest in the position of Milk Farm Worker in Bornholm, Denmark, as advertised. With a strong agricultural background, hands-on experience in livestock-related tasks, and a willingness to relocate immediately, I believe I would be a valuable asset to your team.

Over the past few years, I have worked as an Agricultural Worker and Self-employed Vegetable Seller in Gadag, India, where I developed practical skills in farm operations, animal handling, and manual labor. I am physically fit, adaptable to long working hours, and committed to delivering consistent results even in challenging weather conditions.

I am fluent in English, and I'm confident in my ability to understand and follow instructions effectively. I am particularly excited by the opportunity to work in Denmark and become part of a multicultural agricultural team where I can learn and grow professionally. I greatly appreciate that your organization provides support with tax cards, housing, and social documentation, and I am ready to relocate and begin work as early as needed.

I am open to full-time roles, available to work 40+ hours per week, and willing to work during weekends, holidays, or overtime if required. Please find my CV attached for your review.

Thank you for considering my application. I look forward to the opportunity to contribute to your milk production team in Bornholm and to build a long-term future with your organization.

Warm regards,
Mujahid Hallikeri
